

TOWN OF WEST SWEDEN

Frederic WI 54837

Resolution # 2021-3

Resolution for Ambulance Merger

Whereas, Municipal Ambulance Service (Amery Area EMS) and Northland Ambulance Service have been in discussions regarding a possible merger for some time;

Whereas, on April 28, 2021, the Boards of both ambulance services held a joint public meeting to discuss the possible merger and answer questions;

Whereas, the ambulance boards desire to understand whether support exists, in general, among its municipal members for the concept of a merger;

Whereas, if adequate support exists for the concept of a merger, the boards of the ambulance services will continue to work on the merger and will work with their municipal members and other stakeholders on a formal plan of merger and corresponding bylaws, which would be formally voted upon and potentially ratified later in the year;

Whereas, if there is not adequate support for the concept of a merger, the ambulance boards will discontinue their merger discussions;

Now, therefore, the Board of the **TOWN OF WEST SWEDEN**, does hereby Support or Oppose (**check one**), the concept of a merger between Municipal Ambulance Service (Amery Area EMS) and Northland Ambulance and desires that the boards of the ambulance services continue discussions regarding merger details and the formation of a proposed plan of merger and bylaws or discontinue merger discussions (**check one**).

This resolution is adopted this 18th day of May 18, 2021.
